

## **ELIBURN - PUBLIC EXHIBITION QUESTIONNAIRE – 6<sup>th</sup> October '11 – 8AM – 8PM**

Thank you for coming today. This public exhibition forms part of the statutory pre-planning application process at which we are asking for your opinion on a proposed mixed use development on land we own in Eliburn.

Please take your time to consider the information on display and ask our representatives any questions or matters you need to have clarified.

It is intended that a planning application in principle will be submitted to West Lothian Council before Christmas. This exhibition allows the local community to comment on draft drawings which will be developed over the next couple of months to accompany the forthcoming planning application. We would be grateful if you could answer the following questions and let us have your contact details for the purposes of providing feedback from this exhibition to the Council:

1. Do you believe you can generally support the proposals?

**Yes**

**No**

2. What do you believe are the good features of the scheme?

3. What changes would you suggest to improve the proposals?

4. Do you have any other comments you would like to make?
